Check Withdrawals

The Check Withdrawal service is used to take funds from one of your accounts and issue a check, payable to you.

How to Withdraw a Check

- Login into your Achieve Online Banking account.
- Click the **More** widget and **Check Services**.
- Next, click on the **Check Withdrawal** tab.
- Choose the account you want the funds to be withdrawn from and the dollar amount you wish to withdraw. *There is a limit of $5,000 dollars*.
- The check will be made payable to the accountholder and mailed to the address on file. This may take 2-5 business days.
